

April 3, 2021

Invictus FC announced today the signing of Joe Sheehan and Million Negash for the upcoming **2021 UPSL** season.

Both **Sheehan** and **Negash**, who grew up and developed as youth players through the Invictus FC curriculum, bring valuable experience to the 2021 newly formed Men's team. Their combined accomplishments throughout their soccer playing careers clearly demonstrate the additional quality and depth they will add to the Invictus roster for the upcoming first UPSL season.

Sheehan, a graduate of Liverpool High School, NY, was a four-year starter and three-time **NEAC All-Conference player** at **SUNY Morrisville**. As a college senior, **Sheehan** was ranked a top ten NCAA player in the country for goals and assists. He also led the Morrisville Men's soccer team to three consecutive **NCAA tournament** appearances. Sheehan became one of only four players in college history to reach 100

career points, and last year was named to the SUNY Morrisville **All-Decade 2010-2020 team** for his accomplishments.

Negash, who played four years of varsity soccer at Henniger high school in Syracuse, NY, captained his team his senior year to one of the most successful seasons in recent school history. Upon graduation, he went on to have a successful academic and college soccer playing career at **SUNY Potsdam**; helping him continue his playing career while training with MASL's Utica City FC, and now signing for Invictus FC.

Head Coach, Dan Kincaid has been working closely with both players over the last few weeks in preparation for the upcoming UPSL season. Kincaid expressed the importance of bringing in the experience of both Sheehan and Negash to the team:

“We have some wonderful young talent on this team, and to have Joe and Milli - who both have lots of experience - is undoubtedly going to make us stronger, and allow the younger players to better prepare for playing at this level. It is also great to see that these guys have had successful college playing careers, especially as they came through the Invictus FC youth program themselves. The philosophy and curriculum at Invictus, from the early youth levels right through to the Men's team, is now complete, as these guys can now give back, and help the upcoming young players throughout the club unlock their potential in the game.

Invictus FC awaits the official announcement of the UPSL 2021 schedule. More news and ticket information will be announced shortly. Please visit invictusfc.com for all **UPSL** and **Youth Soccer** information.
